## HISTORY

Iroquois Hill Runners was founded in August 1979 by an avid group of runners in the metro Louisville area. The core principle of the club was to promote a healthy lifestyle and welcome everyone in the community to get involved.

Iroquois Hill Runners is the oldest running group in the city and has over 200 family memberships. The foundation of the group has remained the same, to provide races and group events for the whole community to participate in.

In addition to planning events for the community, IHR has committed to donating its proceeds back into the community. IHR proudly supports JCPS/JCCS Track and Cross-Country Teams, Louisville Parks Foundation, Toys for Tots, & The Lords Kitchen.

All of our races have a strong social component and friendly atmosphere. Although most our events takes place at Iroquois park, you can find members all over the metro Louisville area planning an event.

To learn more about our club and see what upcoming events we have planned;

Go To: [www.iroquoishillrunners.org](http://www.iroquoishillrunners.org) or [facebook.com/iroquoishillrunners](https://facebook.com/iroquoishillrunners)
